## 'Tip 31' Leads To Arrest In Slaying Of Miss Uland

"Tip 31" in the murder of Janet Lynn Uland led to the arrest of David Jordan Purnell, 24, Prosecutor Ronald J. Taylor disclosed at a press conference Friday.

Taylor said the tip originally was received two days after Miss Uland's body was found June 18, 1971, in a ditch in Hagar township. Taylor said police discounted it at the time because the date of events indicated by the information was June 8 before Miss Uland disappeared.

The informant for Tip 31 returned to authorities Tuesday and police discovered the date in the tip actually was June 14, Taylor said. Miss Uland disappeared the night of June 14.

State police and the state crime lab investigated and developed physical evidence. The vehicle Taylor believes was used to transport Miss Uland's body several miles from the suspected murder site

in Benton township to the ditch on Thar road, Hagar township, was taken into custody.

Purnell was arrested Thursday and arraigned in Berrien Fifth District court Friday, on a first degree murder charge. He demanded preliminary hearing which was

set tentatively by Judge John T. Hammond for March 9. Purnell was being held without bond.

Taylor said he is not ruling out the possibility of an additional arrest or arrests.

He declined to comment on a possible motive for the slaying

or physical evidence developed by the crime lab.

Taylor said his information is that Purnell knew Miss Uland some years. Taylor said Purnell declared he is a great-grandson of King Benjamin Purnell, deceased head of the House of David.

David Purnell is divorced and a 1966 graduate of St. Joseph high school. He was living at 3973 Reinhardt, Stevensville, at the time of his arrest and employed as a construction worker.

The charge against him alleges a premeditated murder

occurred June 14 in Benton township.

Miss Uland, 20, was the daughter of Mr. and Mrs. Daniel Uland, 1750 Trafalgar drive, St. Joseph township.

She suffered 11 stab wounds and a massive head injury, the prosecutor said.

## St. Joseph Law Student Wounded In Detroit

DETROIT — Thomas Roe, a University of Detroit law student from St. Joseph, was wounded seriously and another student was shot to death in

an argument with two men over a \$2 bet on a pool game.

Detroit police said Halem Hazzouri, 25, of Detroit, died in Receiving

branch of Detroit Receiving hospital shortly after he was shot in the left side. Roe, 25, was listed in "fair to serious" condition with gunshot wound in the

abdomen.

Witnesses said the trouble started at an east side bar when the two strangers refused to pay off on a \$2 pool bet and left the bar.

Roe and Hazzouri apparently were shot down as they left the bar shortly afterwards.

The assailants escaped, police said.

Thomas Roe is the son of the late Robert W. Roe and Mrs. Roe, 2770 South Lakeshore drive, St. Joseph. A graduate of St. Joseph high school, he is a first year law student at the University of Detroit.

After his graduation from St. Joseph High school he graduated from the University of Miami, Miami, Fla. before entering law school at the University of Detroit.

## Circuit Judge Rules Next Week

# Hughes Weighs Broz Case

Whether a 39-year-old Detroit woman faces a pair of first-degree murder charges in Berrien circuit court is now up to Circuit Judge Julian Hughes.

Judge Hughes indicated late Friday he will rule next week whether Fifth District Judge Paul Pollard abused his

discretion earlier in the day by not binding to circuit court Mrs. Dorothy Pearl Broz, accused of first-degree murder in the Dec. 31 slayings of State Troopers Charles Stark and Gary Rampey near Union Pier.

The motion by Berrien Prosecutor Ronald J. Taylor's

office to overturn Judge Pollard's decision not to bind followed a flurry of motions and issues in Fifth District and circuit court Friday.

At the end of the term, Mrs. Broz was still in custody in lieu of \$2,500 bond set by Judge Pollard and facing the

possibility of first-degree murder charges in circuit court if Prosecutor Taylor's motion before Judge Hughes is granted.

If Defense Atty. Sheldon Halpern's motion before Judge Hughes is granted, she presumably would go free

unless Taylor appealed Judge Hughes' decision, recharged her with the same offenses, or charged her with lesser offenses.

In a four-page opinion read from the Fifth District court bench earlier Friday, Judge Pollard denied the prosecutor's motion to bind Mrs. Broz to circuit court on the pair of murder charges after finding "no probable cause" she committed a felony.

His order also directed her release, but that order was stayed by Judge Hughes pending the outcome of his decision next week.

Judge Pollard's opinion said the judge took into consideration Mrs. Broz' ownership of the car the dead troopers stopped, her presence near their bodies, and her actions at the time her companion was felled by state police shotgun blasts.

"Defendant's ownership of the Mercury Comet which Johnny Croxton drove on the occasion in question does not reveal any knowledge or presumption of the same on the part of the defendant of his intent and a sharing of the same or a joining in concert to commit any crime," the judge's opinion said in part. "Even supplying and driving an automobile which is used in the furtherance of a crime, does not cause one to be considered an accessory."

"...Not only was defendant not necessarily at the bodies (of the fallen troopers), but only in

the area of them, but also Gary Rampey had only a single gunshot wound which resulted in instantaneous death to him."

"...Because it is so unlikely that defendant actually shot at Trooper Rampey, it is more unlikely that she fired at Charles Stark."

"Yet, the defendant was outside that Mercury at the death scene doing something—searching for a vehicle registration slip, or something else, but something. This court cannot hold the defendant for trial on any such instance as that..."

After Judge Pollard's decision, Taylor's office sought a writ for superintending control from circuit court to overturn Pollard's decision, and Atty. Halpern obtained a writ of habeas corpus claiming Mrs. Broz is being illegally

## Workers Strike GM Ohio Plant

LORDSTOWN, Ohio (AP) — Some 7,700 members of United Auto Workers Local 1112 struck the General Motors Corp.'s Vega automobile and Chevrolet truck assembly plants here at 2 a.m. in a dispute over production rates.

Picket lines were set up immediately; there were no incidents.

Negotiations, which have been going on for the better part of three weeks, were to resume at 11 a.m., with the Lordstown complex manager, A. B. Anderson, predicting an early settlement.

"Management of GMAD-Lordstown is optimistic that these remaining issues can be resolved so that production will continue Monday," Anderson said.

Union officials said a statement would be made later today.

The workers have charged the company with laying off over 800 employees while trying to maintain the same production rate. The company has charged the workers with shoddy workmanship and sabotage.

## Governor Signs Bill Changing Jury Setup

LANSING, Mich. (AP) — Gov. William Milliken signed into law Friday a bill that makes several changes in jury regulations, including a reduction from 12 to six in the number of persons serving on civil cases in circuit, probate, common pleas and district courts.

The bill also says agreement of five of the six jurors will be sufficient except in cases involving possible commitment

of a person to a mental, correctional or training institution.

Other new provisions: —County employees, previously exempted, will be authorized to qualify for jury service; 18-year-olds in high school may postpone jury service until the end of the school year; and circuit judges may determine the size of a grand jury, replacing a previous requirement that 23 persons serve.

## Covert Millage Vote Is Monday

**\$4.45 Million School Construction  
Bond Issue Is At Stake**

COVERT — Covert school district voters will vote Monday on a \$4.45 million school construction bond issue that has drawn opposition from at least one school board official. If approved, the issue would

be for financing major additions to the existing elementary and high school buildings.

Supt. Dr. Lewis C. Wood said construction would include a new classroom building with 12 to 15 rooms, and industrial arts area, a physical education center with a swimming pool, and a 400-seat auditorium.

The classroom building, industrial arts area and physical education center are to cost an estimated \$1,285,125; the auditorium, \$390,000.

Also included in the construction would be the addition of four classrooms to the elementary school, \$571,000; remodeling at the high school, \$573,000; a circulation area, media center and library, \$607,000; bus garage, \$86,500; athletic field and facilities, \$180,000; sewage treatment, \$50,000; site acquisition, \$30,000; fixed equipment, \$30,000; contingency fund, \$120,000 and the balance for legal and engineering fees.

All sections of the school complex are to be accessible through the circulation area, so that students will not have to go outside when moving from one section to another.

Harry Sarno, treasurer of the school board, said he plans to vote no on the issue.

Sarno said the citizens of the community and the elected officials on the school board had no part in developing plans for the project, which was approved by a split vote of the board.

He said that the people are being misled with misinformation. Administrators, according to Sarno, have said that interest on the bond is included in the \$4.45 million figure, but that the interest will be added on later. While administrators say there may be no increase in millage, "we know there will be an increase," Sarno said.

Among his concerns, Sarno listed the limited supply of water at the present site of the school.

"We shouldn't be thinking about new buildings and swimming pools when we may have to change location," Sarno said.

He also said enrollment has been decreasing in Covert, from 920 four years ago to 835 now, and he predicts that it will drop even further.

Sarno said that spending this amount of money and tying the new structures in with the old concerned him. "We will still have a 50-year old building," he said.

Wood said that if approved, 10 mobile classrooms now in use would probably not be needed once building is done. The use of mobile classrooms indicates a currently existing classroom shortage.

Dr. Wood said it had not been determined whether the proposal would require an increase in millage.

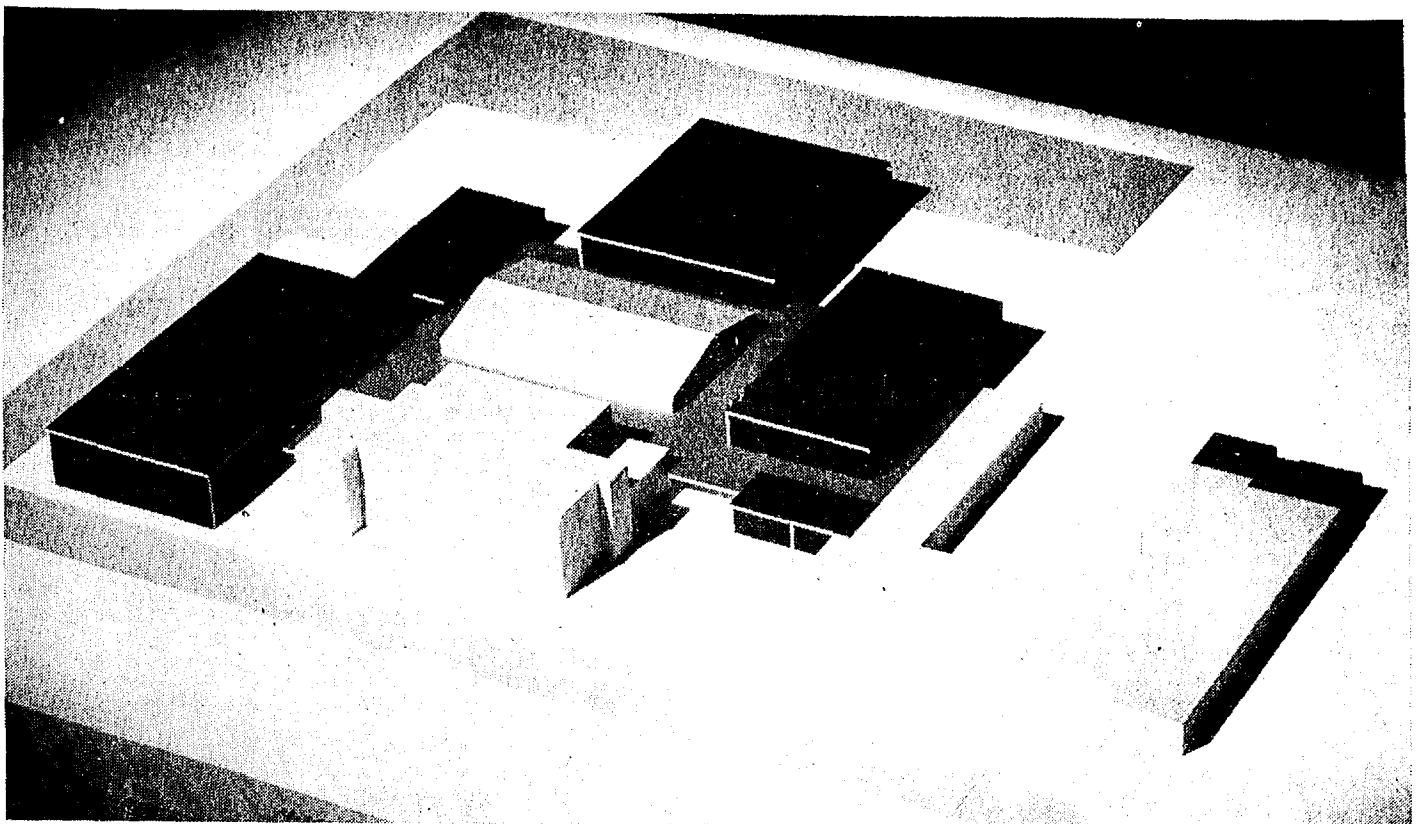

He said the increased equalized valuation of the district with the addition of the Consumers Power company plant might absorb increased costs,

but the company has filed an appeal for tax deductions with the state.

If their appeal is successful, an increase in millage could be necessary.

### Trash Truck Fire Put Out

St. Joseph firemen extinguished a fire yesterday (11:32 a.m. - 12:25 p.m.) in trash in a city refuse truck at the corner of Donna drive and Lakeview avenue. It took only a few minutes to extinguish the blaze but firemen stood by while the load was repacked.

## School Bus Hit By Car

A Lakeshore school district bus was struck by an auto in Stevensville Friday afternoon, but the bus driver and ten children who were passengers, escaped injury.

The driver of the auto, however, sustained bruises and lacerations and was admitted to Memorial hospital, St. Joseph, for observation.

Deputy Randy Arnt reported that the accident occurred about 3:20 p.m. on John Beers road, just east of St. Joseph avenue.

The driver of the auto was identified as Wendy Lucile Jung, 17, of 5530 Alpine Ridge, Stevensville. Witnesses told Arnt the auto struck the rear of the bus, which was stopped for traffic. Arnt said Miss Jung was cited for failure to stop in a safe distance ahead.

The bus driver was identified as Joann Teresa Burgess, 33, Scottsdale road, Route 1, Berrien Springs.

## UCF Consolidation Studied

### 'North Berrien' Drive Considered

A possibility looms that a north Berrien County United Fund may be formed during 1972.

The consolidation would bring together the Twin Cities United Community Fund, the Berrien Springs United Fund and the Watervliet Combined Appeal.

Officials of the three organizations met this week to discuss the possibility of a cooperative effort in the areas of fund-raising, planning, allocations and campaign promotion.

A six-member committee representing all three communities will be organized to study consolidation plans and will meet on March 27, according to William F. Mitchell, Twin Cities UCF executive director.

Mitchell said that the move represents a first step toward the possible eventual formation of an area-wide United Fund. At present, there are 13 United Funds and Community Chests in Berrien, Van Buren and Cass Counties.

Nine local agencies and 21 state and national services included in the Twin Cities UCF now offer direct service throughout Berrien County, Mitchell pointed out. A cooperative effort could result in even better service, he added.

The local agencies are Boy Scouts, Girl Scouts, Child and Family Services, Information and Referral Services, Riverwood Mental Health Center, Berrien County Cancer Services, Berrien County Red Cross, Berrien County Crippled Children's Society, and the Maple Grove Center for the young adult retarded.

Among the Michigan United Fund agencies performing direct service throughout Berrien County are the Michigan Heart Association, Arthritis Foundation, Kidney Foundation of Michigan, USO, United Cerebral Palsy, Leader Dogs for the Blind and Multiple Sclerosis Society.

The possible establishment of a north Berrien UCF, Mitchell said, might include not only the three existing United Funds but could also mean the organization of fund-raising efforts in areas where no formal appeals exist. These areas, he said, include Coloma, Eau Claire and Bridgman.

At this week's initial discussion meeting, the Twin Cities UCF was represented by Roy Shoemaker, 1972 campaign chairman; Dr. Donald Robach, assistant campaign

chairman; Robert L. Starks, UCF first vice-president; and Mitchell.

Watervliet Combined Appeal officials at the meeting were Presley Olson, president; Lawrence C. Strouse, past president; and William Beverly, 1971 campaign chairman. Berrien Springs was represented by Mrs. Mary Housand, chairman of the United Fund. Also attending was William Herbst, western Michigan field representative for Michigan United Fund.

## Man Gets Fine And Probation

A 19-year-old Stevensville man was sentenced Friday in Berrien Fifth District court on a charge of aggravated assault following an earlier plea of nolo contendere to the charge.

Judge Harry Laity sentenced Michael Rothermal of 5773 St. Joseph avenue, to fine and costs of \$5 plus two years probation and ordered him to make restitution of \$1,052 to Rolland Jones for medical expenses resulting from an altercation at the Jones' home in Lincoln township New Year's morning when Rothermal allegedly assaulted Jones.

Rothermal was attending a party at the Jones home and left, but returned about 3 a.m. in the morning seeking entrance. He gained entry by wrecking a door and struck Jones in the head with his fist causing five fractures to Jones' mouth.

On Jan. 28, Rothermal was sentenced to fine and costs of \$40 and was put on one year's probation following a guilty plea to malicious destruction of property that same night at the Jones residence.

He was originally charged with assault and battery but that charge was dropped by the prosecutor's office and the high misdemeanor charge of aggravated assault was placed against him.

## Mexico Agrees To Limit Strawberry Shipments

U.S. Rep. Edward Hutchinson reported in Washington, D.C., Friday that the Mexican government has reached an agreement with Mexico to limit the shipment of strawberries into the United States.

"The two countries agreed to an arrangement which provides that Mexican exports of frozen strawberries, strawberry paste and pulp into the U.S. will be held to a level of 82 million pounds in this calendar year," he said.

He said he is hopeful the agreement will directly benefit strawberry growers in southwestern Michigan. In the past couple of years Michigan

growers have found themselves at a disadvantage in competing against the Mexican strawberry products, the congressman stated.

Negotiations between the two nations began in September of last year, after the Mexican industry shipped large quantities of strawberries into the United States in competition with the domestic crop. Mexican imports into the U.S. amounted to 107 million pounds in 1970 and 92 million pounds in 1971.

Other provisions of the U.S.-Mexico agreement provide that the two governments will consult promptly upon the

request of either; will exchange marketing and production information, and that if the agreement is renewed beyond 1972 the Mexican exports will be not less than 82 million pounds unless the total consumption in the U.S. declines.

Mexico also reserved the right to terminate the agreement in the event its exports are disadvantaged by increased U.S. imports from third countries, U.S. duty rates are increased, or U.S. nontariff import barriers are imposed on strawberries.

## Junk Car Owners Given Warnings

NEW TROY — Weesaw township trustees last night approved sending letters to five more township residents warning them they are violating a local ban against junk cars.

The letters will warn the residents they have 30 days in which to remove the junk cars or face possible court action.

According to township supervisor Allan Boyd, 12 letters have been sent to other residents in recent weeks. About half of these complied on their own, with no court action required, he said.

In other action, the board was informed by letter from the Berrien County Road Commission that the township would have to pay \$1,125 for

blacktopping an area in front of the Glendora post office.

The board has requested a price from the commission but delayed further action last night.

Trustees agreed to invite a computer company representative to discuss with them the possibility of converting to computer-prepared tax bills.

They also agreed to pay \$1.75 a month on each private telephone line installed for township firemen. This amount is the difference between the party-line rate and the private line rate.

The township annual meeting will be held at 1:30 p.m., April 1 in the township hall.

## Stevensville, Dowagiac Girls Vie For Queen Crowns Tonight

The selection process for Miss Blossomtime 1972 continues tonight with this year's second and third contests. Picking their representatives to the Miss Blossomtime pageant tonight will be Stevensville and Dowagiac.

The Stevensville contest is to begin at 8 p.m. in the Lakeshore auditorium, where 31 girls will vie for the Stevensville crown. The theme of the Stevensville contest is to be "In the Good Old Summertime."

Dowagiac's contest will get under way at 8 p.m. in the Central junior high school auditorium, Dowagiac. Twenty girls will compete in the contest, the theme of which is to be "Opening Night at the Beckwith Theatre."

After tonight, there will be 25 contests to go before the final Miss Blossomtime Pageant April 17.

This year's first queen, Miss Martha Winkel, Miss South Haven, was selected last weekend.

# Determined Tigers Reclaim District Crown

## Benton Harbor Comeback Defeats Niles, 82-73

By JIM DeLAND  
Sports Editor

Benton Harbor's Tigers can look for new worlds to conquer now after regaining supremacy in their own little world Friday night.

Rising to the occasion in championship fashion, behind the leadership of John Hunt and Anthony Wooden, the Tigers came from 10 points behind to defeat Niles 82-73 and earn their eighth Class A district crown in the past 11 years.

Hunt and Wooden combined to outscore the entire Niles team 32-31 during the second half and lift the Tigers to their 13th consecutive victory of the season and return them to their accustomed district throne after a one-year absence.

"Determination . . . that's what did it," Benton Harbor coach Earl McKee said proudly of his team. "Even when we were 10 points behind we still thought we were the best team. We never let up . . . we just got tougher."

An overflow crowd that jammed every nook and cranny of the St. Joseph gym could bear witness to that fact

after watching the Tigers' relentless comeback from the brink of disaster last night.

The victory gives Benton Harbor a 16-2 record and a date in the Class A regional tournament at Western Michigan University next Tuesday with the winner of tonight's district championship game between Kalamazoo Central and Portage Northern.

It also extended a decade of frustrations for the losing Vikings, who have reached the district finals eight times in 11 years but have been defeated every time — seven times by Benton Harbor.

"It's a tough district to win, I guess," Niles coach Dean Adams said grimly. "We did everything we were supposed to do and they still won."

"I still say it was the right thing — to stop their guards and make them work."

The Niles strategy — combining a zone press and 1-3-1 zone and dropping both guards back to cut off the Tigers' fast break — worked exceptionally well in the first half as the Vikings shot out to leads of 33-23 and 38-28 before the Tigers

closed the gap to 42-37 at intermission.

Center Gary Shafer and guard Steve Yackey scored 12 and 11 points respectively during the half off a disciplined offense against Benton Harbor's 1-2-2 zone, but some impatience late in the second quarter permitted the Tigers to close in.

"What we got away from was working for the good shot," Adams admitted. "We missed a few 20 or 25-footers and they turned them into two points every time."

Hunt turned the game around almost singlehandedly during the third quarter, when he scored 13 points and tossed in five straight shots to bring Benton Harbor to within one point at 52-51. Wooden then gave them the lead with a pair of jump shots from the side and they never let Niles get it back again.

Benton Harbor hit 9 of 11 shots during the third-quarter spurt and finished the night with an even 50 per cent shooting average (32 of 64) — the fifth straight game they have hit 50 per cent or better.

Hunt led the scoring parade with 28 points while Wooden tallied 20, Dave Williams 14 and James Jackson 11. Williams kept the Tigers in the game during the first quarter with 10 points and missed only one shot all night.

Yackey was high for Niles with 19 points, Shafer had 15 Duane Garner 13 and substitute Dave Schenker 12.

Overwhelming control of the backboards again was the key to victory for the Tigers, who outrebounded Niles 38-20 with Jackson alone pulling down 17. So completely did the Tigers rule their defensive boards that Niles got only three offensive rebounds the entire game.

The Vikings offset this with 15-of-29 shooting in the first half but tapered off slightly and finished with 27 of 56 — a .466 average.

Both teams fared well at the free throw line, Benton Harbor hitting 18 of 23 and Niles 19 of 26.

Niles, which has not won a district championship since 1961, ends the season with a 13-6 record.

## Lions Sign Herb Orvis

DETROIT (AP) — Big Herb Orvis, No. 1 draft choice of the Detroit Lions, ended two days of talks Friday by signing a contract with the National Football League club.

Terms were not disclosed, but a Lions spokesman said: "Herb should be pretty happy."

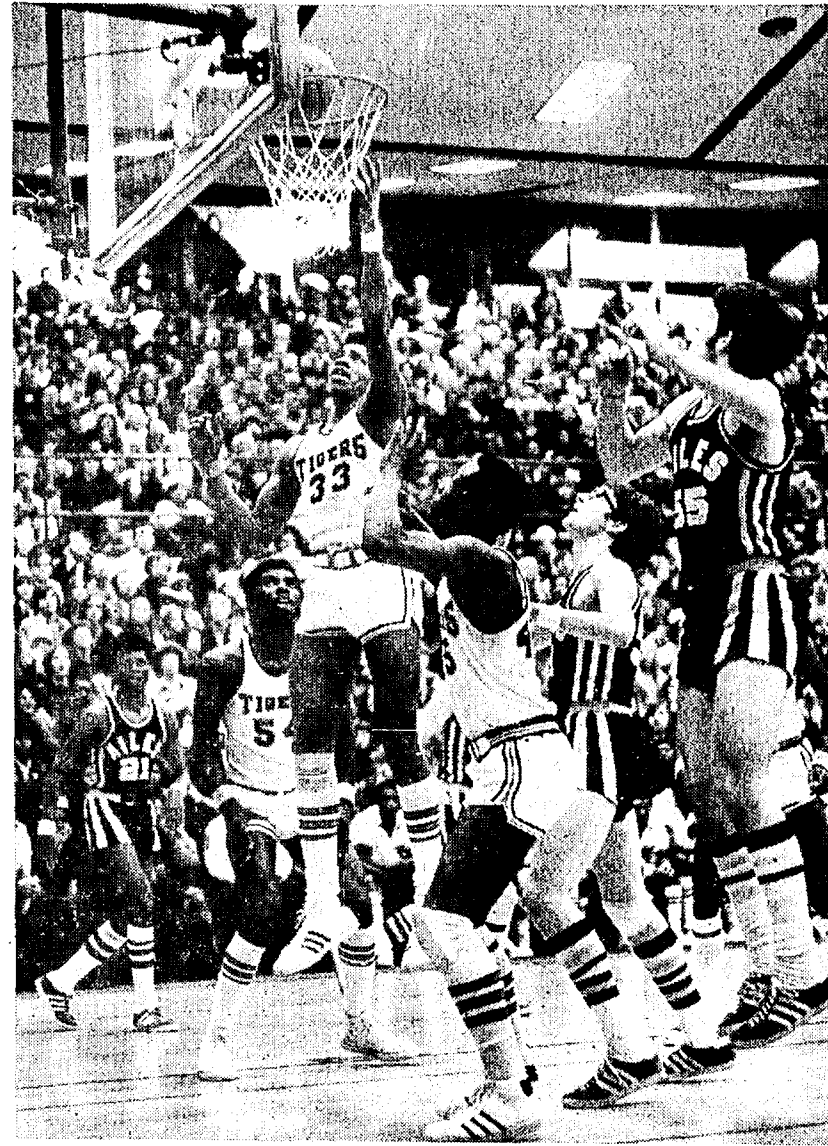

One report was that Orvis, 25, signed a no-cut, one-year pact at \$33,000.

The 6-foot-5, 240-pound defensive end from the University of Colorado was expected to be a major part of the Lions' efforts to rebuild their defense, which was spotty last season.

A native of Petoskey, Mich., and a former football player at Flint Beecher high—Orvis saw service with the Army in Germany and then enrolled at Colorado.

Orvis—married and the father of a son, Gabriel—was to return to Colorado before reporting to the Lions' training camp in July.

One of 14 players drafted by the Lions this year, he had the dual honor of being the top choice and the first among the newcomers to reach agreement on a contract.

## Roadrunners Romp Into Regional Final Mandarino, Miller Pace Upset

SAGINAW — Southwestern Michigan College, sparked by the M and M Boys, has pulled off another region 12 junior college tournament upset.

Ron Mandarino netted 30 for the second game in a row and Skip Miller added 28 for a new SMC single season scoring record as the Roadrunners ousted Monroe 97-93 here Friday night.

Mandarino, a former Lake Michigan Catholic standout who now carries 26.8 average in four tourney games, also teamed with Dave Brumfield to pace an effective full court 1-3-1 zone press which resulted in several steals and numerous Monroe ballhandling miscues.

Miller, who starred in high school at Niles and spent his freshman year at Central Michigan, upped his season point total to 694. That tops the old record of 685 set last season by Cleo Kilgore, who now plays for Drake. Miller got several of his baskets off a fast break offense which has kept the Roadrunners rolling throughout the tournament.

SMC held a 46-43 halftime margin Friday night while upping its season record to 16-12. Monroe bowed out at 22-3.

Other double figures Roadrunner pointmakers were Fred Paulsen with 15 and John James with 10. Ken Mehl, a 6-4 center, had 33 for Monroe.

SMC now faces its biggest challenge of all in tonight's 8

p.m. championship game. The Roadrunners go up against unbeaten Vincennes (28-0), the No. 1 Junior College team in the nation.

Vincennes advanced to the finals with a 84-77 victory over Lorain, Ohio — the team that eliminated Lake Michigan

College in the quarterfinals on Thursday.

SMC eliminated Vincennes in a gigantic upset last year in the regional finals, but will need to pull a similar feat tonight to take the title. The Roadrunners lost to Vincennes 104-76 earlier this year.

## Consistent Scott Sparks Squires

From Associated Press  
Charlie Scott is a pro any coach would like to have on his team. He's a steady player who is going to get his points no matter who's guarding him.

The former University of North Carolina All-American played his steady game Friday night in the Virginia Squires' 121-116 victory over the Indiana Pacers. He scored 10 points a quarter, except for the third period when he tallied 12. Scott, who shared the American Basketball Association's Rookie of the Year award in 1971 with Kentucky's Dan Issel, is the league's leading scorer. Earlier in the season he played with a variety of minor injuries and still managed to get his points every game for the Squires, No. 2 in the East Division.

In other ABA games, the Floridians edged Carolina 130-127, and Pittsburgh trimmed Memphis 115-114.

Warren Jabali sank a field goal and a foul shot to provide the Floridians margin of victory. His three-point play came with just six seconds remaining in the game. Carolina's Wendell Ladner tried a 30-foot desperation shot at the buzzer in a 52-30 lead.

but it was wide.

Jabali scored 24 points but Larry Jones was the team leader with 26. Mack Calvin contributed 21 and Willie Long 19. George Carter led the Cougars scoring with 29 points, 26 in the second half. Larry Miller had 25.

Bob Verga provided Pittsburgh's last second heroics when his jump shot gave the Condors the victory over Memphis. George Thompson hit two foul shots and Verga's field goal in 41 seconds was the difference. Thompson finished with 33, Verga with 26, while Johnny Neumann had 32 for the Pros.

## Heights Thumps

### Musk. Catholic.

MUSKEGON, Mich. (AP) — Muskegon Heights, No. 1-rated Class B high school basketball team in Michigan, breezed to the District 88 championship Friday night with a 97-69 victory over Muskegon Catholic.

Tony Smith pumped in 32 points for the winners, including 12 in the second quarter which was the halftime spread in a 52-30 lead.

## GAELS TOPPLE COVERT AS LUTHER SCORES 42

By BILL MOORE

GALEEN — Bob Luther did the scoring, but it was a pressing defense that gave Galeen the Class D district championship here Friday night.

Luther put in a career-high 42 points, but it was the press that turned the game around in the final quarter and put the Gaels past hot-shooting Covert 86-79.

Galeen will now play its first game in the regional tournament Wednesday night at Sturgis.

Galeen coach Mike Heckathorn went to the press from a zone at the start of the fourth quarter with his team trailing 64-58. And from there the game belonged to the Gaels.

Covert turned over the ball nine times during the disastrous final period and Galeen converted the giveaways into 12 points.

"We really didn't know how long to leave the press on that last quarter," said a happy Heckathorn following the game. "Whenever we thought it had been on long enough we would come up with another steal. So we just decided to stay with it the rest of the way."

Down 66-60 with 7:24 left in the game, Galeen scored five straight field goals, three following Covert turnovers, to take a 70-66 advantage.

The Bulldogs cut the gap to 70-69, but Galeen put six more consecutive points on the board, including four at the free throw line, for a 76-69 advantage. From there the Gaels pulled away with an 84-74 difference the biggest lead of the game.

The loss for the defending district and state champions put an early end to Covert's hope of repeating last year's feat. And the statistics make the loss even more disappointing.

"I just can't say enough about their shooting," said Heckathorn. "When a team shoots that well over a zone defense it's very unusual for it not to win. But I guess it just shows that we did some pretty good things out there ourselves."

Galeen hit a very respectable 49 per cent of its shots (36 of 74), but it was Luther who stole the offensive spotlight.

The 6-4 senior forward, who managed only 10 points in the Gaels district opener, sank 19 of 32 field goal attempts and four of eight free throws.

"He finally went to the boards for us," said Heckathorn. "I have said all year that if it would ever start he would be one of the toughest players in the area. And tonight he got some very crucial and clutch baskets for us."

Besides his high scoring, Luther also pulled down 15 of his teams 38 rebounds, including 10 off the offensive boards.

"Our plan was to cut him (Luther) off on the baseline when he had the ball and try to

block him out on the boards. We didn't do a good job of either," said Covert coach Rod DeYoung.

"There were times during the game when we should have been leading by 15 points, but we kept giving up the easy basket. That last quarter I don't think the press hurt us as much as their coming down and hitting the outside shot. Then when they got ahead we just started forcing things too much."

Covert had 28 rebounds with Clarence Shipp getting 11.

Up until that final quarter the Bulldogs looked the caliber team that won last year's state crown. And Galeen was with them all the way.

The contest was tied eight times and the lead switched hands on 10 occasions before the Gaels took over for good in the final period.

Carl Moody, who hit eight straight outcourt shots, totaled 10 first quarter points while Covert was taking a 23-19 lead. Luther, who put in 11 the opening period, countered with 14 the second, but the Gaels were still behind 43-41 at halftime.

Larry Lauderdale was a perfect three-for-three from the field the second quarter and hit six without a miss in the third period, as Covert began to edge away from the Gaels.

Covert took a 53-47 lead with 3:36 left in the period and the two teams traded baskets until Galeen turned the game around in the final period.

Lauderdale ended up hitting 10 straight field goals over the three periods and ended the game with 21 points. He missed only his first and last shots of the night.

Moody, who hit 8 of 14 outcourt shots, also had 21 points for the Bulldogs with Clarence Shipp (8 of 15) scoring 18 and Bobby Dobbins 10.

Scott Snyder, who hit six free throws and 10 points in the final period, added 19 points for Galeen. Jack Heller was the

only other Gael in double figures with 14.

The scoring marked the 21st consecutive game Luther had hit double figures and the 20th in a row for Snyder.

"I just can't say enough about Snyder," said Heckathorn in praising his senior forwards. "He is consistent for us and is always where the action is."

Covert, which was ranked 19th in the final state Class D poll ends the season with a 10-8 record. It was the 14th straight winning record for the Bulldogs.

Galeen, ranked fourth in class D, is now 18-2.

## Packers' Brown Shot In Neck

WEST MEMPHIS, Ark. (AP) — A man identified by police as Green Bay Packer defensive tackle Bob Brown was shot Friday night while driving his car on a West Memphis street.

Police said a preliminary investigation indicated Brown, 32, was shot in the neck by a person who had been a passenger in the auto.

Officers said there was no one in custody in connection with the shooting.

Brown was first taken to a West Memphis hospital, then transferred across the Mississippi River to a hospital in Memphis, where he underwent surgery.

A hospital spokesman described his condition as "satisfactory."

## Response Varied To New Buffalo Harbor Audit

NEW BUFFALO — A corrected audit report concerning legal documents and cash transactions for the special city harbor fund here has evoked varied response. City Attorney Stephen T. Roumell, whom the report favors, was somewhat scornful. "If the auditors had looked at city hall or asked me they would have found an open file on the harbor," said Roumell. Harold Stick, Citizens

Improvement committee (CIC) president, was cautious. "I would like to see a copy of the second audit to substantiate it," he stated. "I've only seen what was in the Times (New Buffalo)."

"However," added Stick, "I'm glad to see there has been some corrective action as result of the CIC's efforts." The corrected audit, by the Benton Harbor accounting firm of Herkner, Smits, Miskill and Johnson, cleared up a point of contention used by the CIC in its successful recall of four city councilmen in January.

The correction said that Roumell was handling the accounting for the fund at the city's request.

The first report, dated Aug. 27, 1971, and released to the city in October stated, in part:

"The recording of the cash transactions regarding this grant was not done by the city, but rather by the city attorney. All bank statements, cancelled checks and support for disbursements were maintained by the attorney. The recording of the receipts and expenditures of all monies for which the city is responsible should be accomplished within the existing accounting system. Supporting documents for \$15,116.34 paid out of these grant monies for legal services rendered by attorneys other than the city attorney were not available for our examination."

The corrected report, dated Dec. 29 and released this week, stated, in part: "Regarding the record keeping for this grant, we have subsequently learned that the bank statements and cancelled checks did, in fact, come directly to the city, not to the attorney. While the attorney did have the check book and supporting documents, it was at the request and convenience of the city. All checks issued from this fund were signed by two city and one state official."

"Recently statements from attorneys which support the \$15,116.34 paid for court costs and legal fees in connection with the condemnation cases were made available for our inspection."

Roumell said that the harbor fund was set up by the city to handle financing of harbor improvements being planned for pleasure craft entering and leaving the Gallien river at New Buffalo. The \$2 million plus project is being financed almost 100 per cent by state and federal funds.

He said most of the original \$100,000 state grant for acquiring easements has been used.

"We still have to acquire more easements before construction can begin," said Roumell, "but we hope to get the project underway this summer."

He added that the army Corps of Engineers is ready, but that easements must be finalized before bids can be let. The project is expected to take one and a half years to complete.

## Two Bound Over; Hearings Asked In Berrien Court

Two persons were bound over to Circuit court, two demanded examinations, and 14 were sentenced Friday in Berrien Fifth District court.

Two Benton Harbor men were bound over on charges of larceny in a building involving the theft of an electric drill from Lynch's appliance store, 448 Cass street, Benton Harbor, Feb. 21. They were Roy C. Lucas, 26, of route 2, box 1130 and Ronnie Lee Patton, 18, of Mary's hotel. Lucas was lodged in the county jail in lieu of \$5,000 bond and Patton in lieu

of \$500 bond.

Demanding examinations were Alex English, 32, Gary, Ind., charged with armed robbery Dec. 20 at Bywater's market, Benton Harbor, jailed in lieu of \$20,000 bond; and Ronald Smith, 20, of Benton Harbor, on a charge of breaking and entering the home of David Andrews, 260 Urbandale, Benton township Thursday. Smith was lodged in the county jail in lieu of \$2,000 bond.

The following persons were sentenced:

Roger W. Wier, 25, of route 1, box 496, Yore avenue, Benton Harbor, fine and costs of \$100 plus \$3 conservation costs for possessing and hunting illegally with a ferret.

Kathleen L. Stelter, 20, of Baroda, fine and costs of \$60 for furnishing intoxicants to a minor, Feb. 5.

Mary Sue Heppler, 29, of Watervliet, fine and costs of \$40 plus six months probation for a false report of a crime.

John Bennie Smith, 55, of 600 Pearl street, Benton Harbor, fine and costs of \$120 for petty larceny involving the theft of a package of cigarettes from K-mart last April 1.

Ted R. Gatlin, age and address not available, fine and costs of \$100 plus two years probation for aggravated assault against Ben W. Kenton in Lincoln township, Jan. 19.

Henry Penn, 36, of 411 Park street, Benton Harbor, fine and costs of \$120 plus one year probation for receiving and concealing stolen property under a \$100 in value — a battery from Earl Head in Benton Harbor, Feb. 3.

Jessie B. Cloman, 18, of 1063 Pavone street, Benton Harbor, fine and costs of \$75 plus two years probation for obtaining money under false pretense from Sears Roebuck between Dec. 29 and Jan. 25. The incident involved five false refund slips.

Frankie McGraw, 21, of 5585 Niles road, St. Joseph, 45 days in jail plus one year probation for cashing an insufficient funds check worth \$35.12 in Royalton township, last April 24.

Robert L. Hardy, 43, of 635 Baird street, Benton Harbor, fine and costs of \$80 for attempted petty larceny involving a tire from an auto owned by Cleveland Petty in Benton Harbor last Dec. 12. He pleaded nolo contendere to the charge.

Lewis A. Head, 17, of 1227 Broadway, Benton Harbor, fine and costs of \$120 or a maximum of 40 days in jail for petty larceny involving the theft of a wig from Goldblatt's Jan. 15.

Sidney K. Johnson, 47, of 790 Broadway, Benton Harbor, fine and costs of \$70 plus three days in jail for driving on a suspended license.

Alvin G. Wilder, 25, of El Paso, Texas, fine and costs of \$73 for malicious destruction of property — damaging the interior of a Oronoko township police car Thursday.

Charles R. Messal, 25, of 5184 Roosevelt road, Stevensville, fine and costs of \$100 for being a disorderly person by being in a place where marijuana was being used in Benton Harbor, Jan. 8.

Jimmy Loy Ellison, 17, of 2440 Butler, Benton Harbor, fine and costs of \$120 for entering the home of Virginia Schilling in Pipestone township without permission Jan. 3.

Laverro Williams, 17, of Benton Harbor, fine and costs of \$121 plus 10 weekends in jail for breaking and entering a semi-trailer owned by Roadway Express Truck Lines in Benton Harbor, Nov. 18.

## Niles Man Held For Florida

NILES—A Niles township man faces extradition proceedings following his arrest last night on a warrant issued by Florida authorities.

Township police said Phillip L. Whitfield, 29, of 2625 South 16th street, Niles, is charged with taking property valued at more than \$100 from a service station in Broward county, Fla., on Oct. 31, 1971.

Whitfield was lodged in the Berrien county jail.

Niles city police arrested Raphael Crends, 50, of 450 Bernon street, Niles, on charges of being drunk and disorderly, no operators license on person, improper use of registration plate, reckless driving, and failure to stop and identify himself following a two car hit and run accident last night. No one was reported injured.

Steven Couchman of 908 Terre Coupe road, Buchanan, reported to state police at Niles that four mag wheels and radial belted tires valued at \$300 had been stolen yesterday off his car parked at the John Paskiet residence on Madron Lake road, where he was rebuilding it.

## Coast Guard Issues Thin Ice Warning

"Due to recent unseasonably mild weather and gusting winds, ice conditions on Lake Michigan and its tributaries has severely deteriorated," according to the United States Coast Guard.

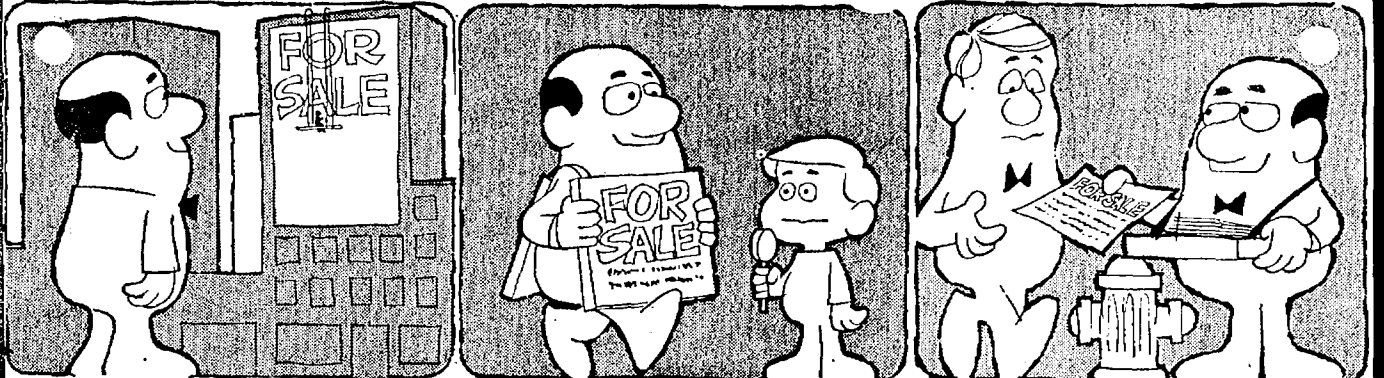

"All boaters, ice-fisherman, skaters, snowmobilers and sportsmen are warned to exercise extreme caution when venturing onto the frozen water," the Coast Guard said.

## Economist Will Be Speaker

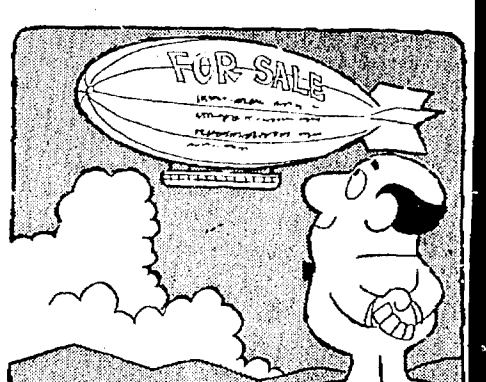

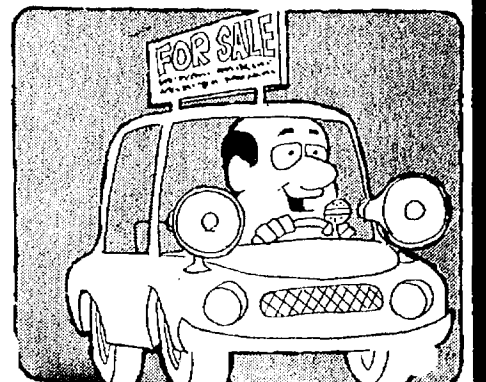

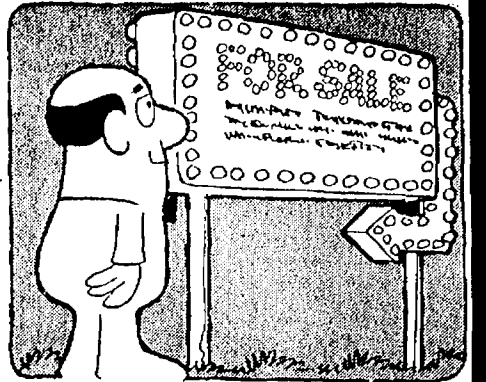

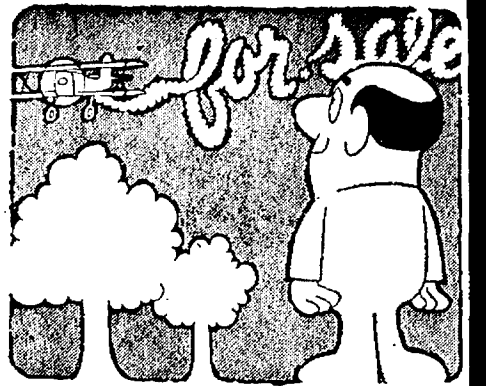

"The Business-Political Year of 1972" will be the topic of a speech by Dr. John Hoagland of Michigan State university at the Wednesday meeting of the National Association of Purchasing Management at the Morris Park country club in South Bend.

Paul Wirt, public relations chairman for the South Bend chapter, said Dr. Hoagland's ideas differ from many leading economists, but that the ideas he presents will be "thought-provoking."

PLEASE TAKE NOTICE that the Zoning Board for Buchanan Township will hold a public hearing in the Buchanan Township Hall at 1280 Main Street Road, Buchanan, Michigan, on Wednesday, March 8, 1972 at 7:00 p.m. in the evening of said day, as to whether the Zoning Ordinance for Buchanan Township shall be amended to add the following sections:

Section 1702. The Township Board of Appeals may, by special permit authorize any occupation or activity carried on by a member of the family residing on the premises, in connection with which there is used no sign other than a name plate not more than one (1) square foot in area, or no display that will indicate from the exterior that the building is being utilized in part for any purpose other than that of a dwelling; there is no commodity sold upon the premises, except that which is prepared on the premises in connection with such occupation or activity; there is no person employed other than a member of the family residing on the premises; and there is no mechanical equipment used except of a type that is similar in character to that normally used for purely domestic or household purposes.

Home occupation shall include, but not be limited to, the use of premises by a physician, surgeon, dentist, lawyer, clergyman or other professional person for consultation or emergency treatment, but not for the general practice of his profession.

Application for a special permit under this section shall be filed with the Township Clerk and shall be accompanied by petition approving such permit signed by as many residents of the immediate area as possible.

Section 1703. The Township Board may, by special permit, authorize the location of any of the following buildings or uses in any district from which they are prohibited by this ordinance.

1. Any public building erected or used by any department of a governmental agency.  
2. Private schools, including nursery, pre-kindergarten, kindergarten, play and special schools.  
3. Community buildings or recreational field.  
4. Private recreational activities.  
5. Riding stables and private stables.  
6. Radio and television broadcasting towers and stations.  
7. Extraction of sand, gravel or other raw material.  
8. Parking lots on land not more than three hundred (300) feet from the boundary of any commercial or industrial district.  
9. Clubs and semi-public buildings.  
Before issuance of any special permit for any of the above buildings or uses the Township Board shall refer the proposed application to the Township Zoning Board which Board shall be given sixty (60) days to make a report regarding the effect of such proposed building or use upon the character of the neighborhood, traffic conditions, public utility facilities and other matters pertaining to the public health, public

safety and general welfare. No action shall be taken upon any application for a proposed building or use above referred to until and unless the report of the Township Board of Appeals has been filed.

An existing use of the type listed above, lawfully established on the effective date of this Ordinance, shall be deemed to have received a special permit as herein required and shall be provided with such a permit by the Building Inspector upon request and shall not be a non-conforming use; provided such an existing use shall require a special permit for any enlargement, extension or relocation.

At the above time and place all parties interested will be given an opportunity to be heard.

After discussion, it was moved by Mr. Gast, seconded by Mr. Tobias, that the ordinance be given its final reading and adopted. Roll call resulted as follows: Yeas: Commissioners Ehrenberg, Gast, Hanley, Smith and Tobias. Nays: None. Absent: None. Motion declared carried and ordinance adopted.

RESOLUTION  
WHEREAS the City Commission for the City of St. Joseph on April 10, 1967 adopted a resolution approving application for special permit (Whitcomb Hotel), and a resolution approving application for special permit (The Herald-Press property), copies of each resolution being attached hereto,

AND WHEREAS each of said resolutions contained a provision that offstreet parking on lots 129 and 130 of the original Town of St. Joseph, Berrien County, Michigan be provided, the exact lay-out of parking to be determined at a later date,

WHEREAS the Michigan Baptist Homes and Development Company is proceeding under the special permit (Whitcomb Hotel property), but is not proceeding under the special permit (The Herald-Press property),

AND WHEREAS Lot 130 of the original Town of St. Joseph, Berrien County, Michigan has not been acquired by Michigan Baptist Homes and Development Company,

AND WHEREAS it appears that adequate off-street parking will be provided in connection with the permitted use of the real estate described in the aforesaid resolutions without the inclusion of lot 130 of the original Town of St. Joseph, Berrien County, Michigan,

NOW THEREFORE, be it resolved that development of lots 101 and 102 and 129, Plat of Newberryport, now City of St. Joseph, Berrien County, Michigan, excepting from lot 129 the Southerly one (1) foot thereof, pursuant to the aforesaid resolution approving application for special permit (Whitcomb Hotel property) without the inclusion of lot 130 of the original Town of St. Joseph, Berrien County, Michigan is hereby permitted and approved.

It is further resolved that the City Clerk is hereby directed to deliver a certified copy of this resolution to Michigan Baptist Homes and Development Company or its attorneys, either personally or by first class mail.

Mr. Ehrenberg, seconded by Mr. Hanley moved approval of the foregoing resolution. Roll call resulted as follows: Yeas: Commissioners Ehrenberg, Gast, Hanley, Smith and Tobias. Nays: None. Absent: None. Motion declared carried and resolution adopted.

There being no further business to come before the Commission, Mr. Hanley moved to adjourn until Monday February 14, 1972, at 7:30 P.M.
